Experience Pharmacy

Hands-on immersive experiences in our IV lab, Compounding and Simulation labs

One-on-one instruction and interaction with pharmacy faculty and student pharmacists

Advice on preparing for college and pharmacy school

“Experience Pharmacy is an eye-opener to the profession of pharmacy that offers a variety of insights from different specialties within the field. The camp provided me an opportunity to network with other prospective pharmacy students, in addition to UCSOP Faculty, Alumni, and Current pharmacy students. The camp offers a welcoming environment to expand your mind to all the possibilities that the pharmacy profession holds.”

- Emily Chattin, ExRx Boot Camp Alum & Member of the Class of 2022
