

Your 2019-2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. We are required by law to review selected FAFSA applications with actual tax documentation before disbursing federal student aid. If there are differences, your FAFSA information may need to be corrected. Complete ALL sections of this worksheet, attach all required tax documentation, and return to the Financial Aid Office promptly. Incomplete forms and missing tax documents will delay processing. Once verification is completed, there may or may not be changes to your financial aid award. You will be notified of any changes. **Failure to comply with this request will result in federal/state award(s) being cancelled.**
