

Program Costs Policy

Background and Purpose:

In order for prospective students to make a fully informed decision about applying to and matriculating into the University of Charleston Physician Assistant Program (UCPAP), they should be made aware of estimated program costs (tuition, fees, etc.) and policies and procedures for refunds of tuition and fees. The purpose of this policy is to clearly articulate these matters to prospective students.

POLICY STATEMENT

Tuition and Fees

The standard undergraduate tuition rate does not apply to students who matriculate into the UCPAP. The following table outlines the expected total PA program tuition and fees based on the rate of tuition and estimated fees that will be applied for the 2018-2019 academic year. It should be noted that tuition and fees can change from year to year subject to economic influences, the needs of the University, and needs of the Program. Other university service fees may also apply (e.g. parking, activity fee, graduation).

Semester	Tuition	Fees
