## ALUMNI FROM THE NEST

OFFICIAL UC ALUMNI NEWSLETTER / MARCH 2021 / VOLUME II ISSUE III

Dear Alumni and Friends,

Spring is around the corner which means our campus will be blooming and have more outdoor activity once again. We are completing Give Day fundraising and the Boathouse renovations should be starting at the end of spring. This was made possible by our many generous and supportive alumni and friends who helped to make our Give for Gold campaign such an overwhelming success! We had giving from over 1,100 donors and raised \$130,000 for that project alone – THANK YOU!

Our students will now have some new activities to enjoy outside on a more regular basis – biking, kayaking, paddleboards and yard games! They are truly excited about this opportunity. We continue to host speaker series this spring through the College of Business. You can check out and register for these events [here](#).

I encourage you to continue to support your alma mater and reach out to our office to get engaged if you haven't already. We have many opportunities through the UC Alumni Association which you can get involved!

Please stay in touch with us and stay safe through this pandemic.

Sincerely,

Gail Carter

VP of University Development and Alumni Relations

# #GIVEFORGOLD

Give for Gold 2021 set records because of YOU! With over 1,100 individual donors, we achieved a 20% increase in the number of donors this year over last...WOW! Everyone on campus contributed to this effort and we appreciate all the hard work!

## SPOTLIGHT

### **Doug Singleton, Class of '01**

Doug Singleton came from the Akron, OH area to UC in 1997. His decision to attend UC was a combination of scholarship opportunities, the ability to swim on the collegiate level, and the warm welcome by Dr. Bren Stevens.

He was not only on the UC swim team all four years, he achieved recognition as Male Senior Conference Scholar Athlete of the

Year.

When asked how UC's mission has carried into his career, Doug said, "I think UC's core values have always aligned agreeably with my own. Along the way, my career path changed from a *me* to *we* focus. Each one of us needs to make a living and put food on the table, so to speak, but feeding our minds and souls is also important. Working in the homebuilding industry allowed me to be a part of something special – we literally make dreams come true!" **Read Doug's full story [here](#).**

### **Congratulations to our Golden Eagles who earned MEC Honors!**

Women's Basketball brought home four conference honors. Tianni Kelly was named Coach of the Year in her first year as head coach. Brooklyn Pannell

was named MEC Player of the Year. Pannell along with Erykah Russell were selected for the 2021 All-MEC First Team, and Dakota Reeves received honorable mention.

Men's Basketball claimed five conference honors. Dwaine Osborne earned Coach of the Year title for the third time in his career, more than any other coach in the conference. Lamont McManus was selected to the 2021 All-MEC First Team. Isaiah Gable and Keith Williams were selected to the Second Team, and Seth O'Neal is an honorable mention honoree.

Both teams won the MEC South Division title and will compete in the championships this weekend. You can watch all the games [here](#).
