

# MISSION TRIP DONOR WALL

*Thank you!*

The University of Charleston

Physician Assistant Program Mission Trip Donor Wall Campaign has ended.

Thank you to our generous donors who made a difference by donating and adding their name with inspirational quotes to the donor wall. Our UC PAP students greatly appreciate the support as they prepare for their annual mission trip the spring of 2023, and work hard to further their healthcare education.

## CAMPAIGN RESULTS: \$4,390

# THE WALL FOR A GOOD CAUSE!

**Donors to the Mission Trip Donor Wall are making a difference for a University of Charleston (UC) Physician Assistant (PA) students traveling abroad to service communities that otherwise would not have immediate access to high-quality healthcare treatment.**

**Contributions will assist with the costs of travel, board, and other essentials.**

**Mission trips are core to the mission of the University of Charleston's Physician Assistant Program, "To prepare competent physician assistants who value and provide comprehensive, patient-centered, culturally sensitive primary care, and are committed to lifelong-learning, professional growth, community health, and caring for underserved populations."**

**Donors who contributed to the wall were recognized on both UC Alumni's Facebook and Instagram pages and featured on a REAL Donor Wall in a UC PA Program classroom!**
