

# Project Management Professional (PMP)

<b>Duration</b>	1 week
<b>Format</b>	Online
<b>Cost</b>	\$950 \$750 discounted rate exam fee not included

## Program Overview

**Personal Coaching:** Our certification training program features guidance from expert practitioners on guiding a team toward achieving agreed upon goals within a set scope, time, quality, and budget based on the key project management stages of initiating, planning, executing, monitoring and controlling, and closing leveraging tools and best practices.

**Continued Support:** Students receive full access to the course content for a whole year, allowing them to reengage in recorded sessions and practical activities to prepare for certification exams.

**Certification Requirements:** This training supports the 35 hours of project management education/training requirement.

The University of Charleston is regionally accredited by the Higher Learning Commission.

## Benefits for the Organization

- Properly trained individuals in this specialty are fundamental to business success
- Ensure proper expectations are set around what, when, and how much can be delivered
- Enables individuals to negotiate reasonable and achievable deadlines and milestones across stakeholders, teams, and management

## Benefits for the Individuals

- Certified PMPs earn 25% more than non-certified project management professionals
- Obtain high demand skills and experience employers seek
- Be more competitive for future employment opportunities  
*Research indicates that employers will need to fill nearly 2.2 million new project-oriented roles each year through 2027.*
