

Mark D. Burdette, EDP

Deputy Director, WV SBDC
Network Builder, WV BusinessLink

Mark Burdette, EDP, is the Deputy Director (WVSBDC) and Network Builder for WV BusinessLink, an online platform that connects West Virginia entrepreneurs with essential resources. WV BusinessLink is a service of the West Virginia Small Business Development Center (SBDC).

With 30+ years of entrepreneurial experience, Burdette co-founded Citynet and has led successful ventures in technology, manufacturing, and marketing. He was instrumental in developing the Advantage Valley Entrepreneurial League System®, a key initiative that has contributed to the growth of West Virginia's entrepreneurial ecosystem since 2002.

A dedicated advocate for entrepreneurship-driven economic development, Burdette continues to play a vital role in advancing the state's business landscape by supporting innovation and fostering entrepreneurial growth.
