- The student's siblings if all the following are true:

 - They receive more than half of their support from the student's parents; and
 - They will continue to receive more than half their support from the student's parents during the award year.
- Other persons if the following are true:

 - They receive more than half of their support from the student's parents; and
 - They will continue to receive more than half their support from the student's parents during the award year.

The provided criteria for "dependent children" or "other persons" mirror the requirement that family size align with those the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S. tax return at the time of completing the 2025-2026 FAFSA. As a result, the parent should not include any unborn children in the family size.
